Thames Quay • Chelsea Harbour • London • SW10

Finished to an exceptionally high standard with fully automated Crestron system and air conditioning, this unusual and luxurious duplex penthouse apartment of approximately 3,393 square feet sits directly over the river Thames, boasting extraordinary light and wonderful views towards the south and east. Featuring a large and well-proportioned reception room with high vaulted ceilings in addition to fully retractable windows at both ends, the property offers a fantastic sense of space and volume.

The upper level of the property has been designed and is configured as a large master bedroom suite, to include bathroom equipped with shower and steam room, dressing area, gym and office. The apartment further consists of two generous en-suite double bedrooms, cloakroom and fully equipped kitchen. Three secure underground parking spaces are also included in addition to all the benefits of security and portage that come with being in this enduringly popular and well-run riverside development.

Chelsea Harbour is situated moments from Chelsea Embankment and the King's Road, with all their many restaurants, shops and transport facilities only moments away and a new rail link at Imperial Wharf provides immediate access to London's rail and underground networks.
